

Read below free instructions

The applique elements are little in pocket inside, so it looks much better if pocket will open.

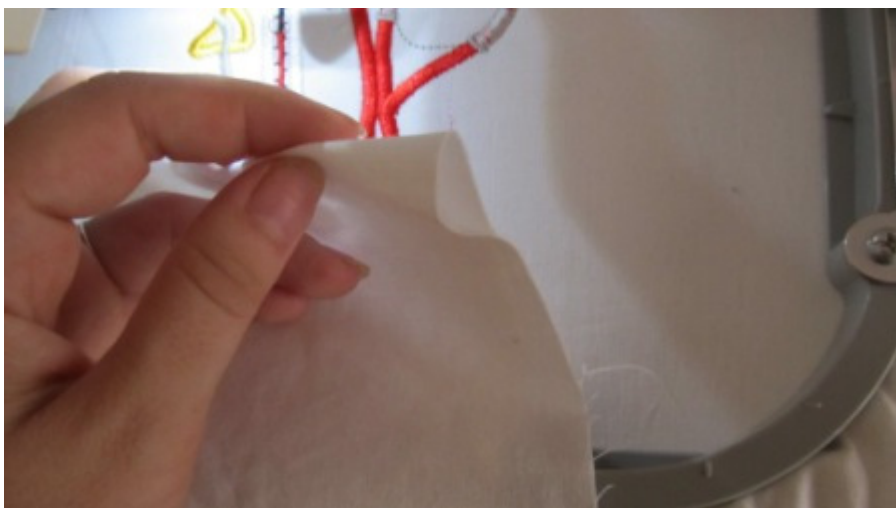

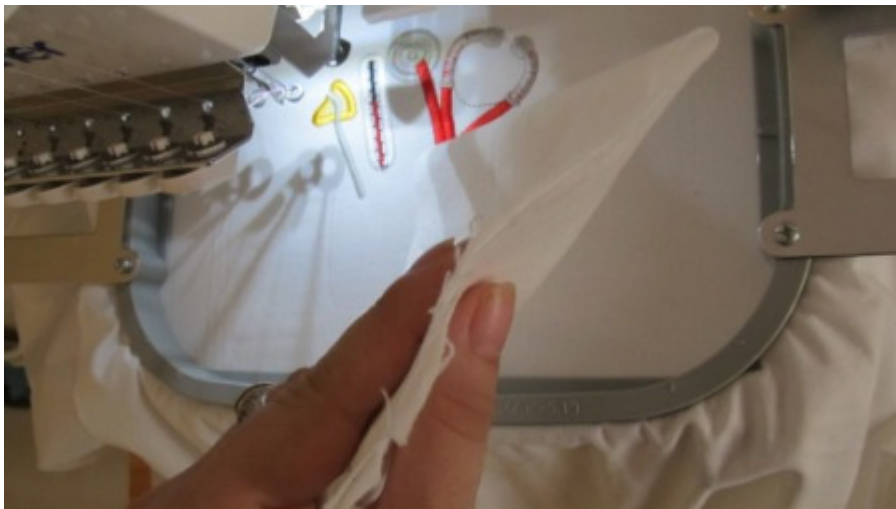

Hoop fabric, where should be embroidered a pocket.
Make an applique elements as usual.

Next will be Pocket placment outline

Fold the pocket fabric twice, please, note, tat the pocket fabric
should be too tight.

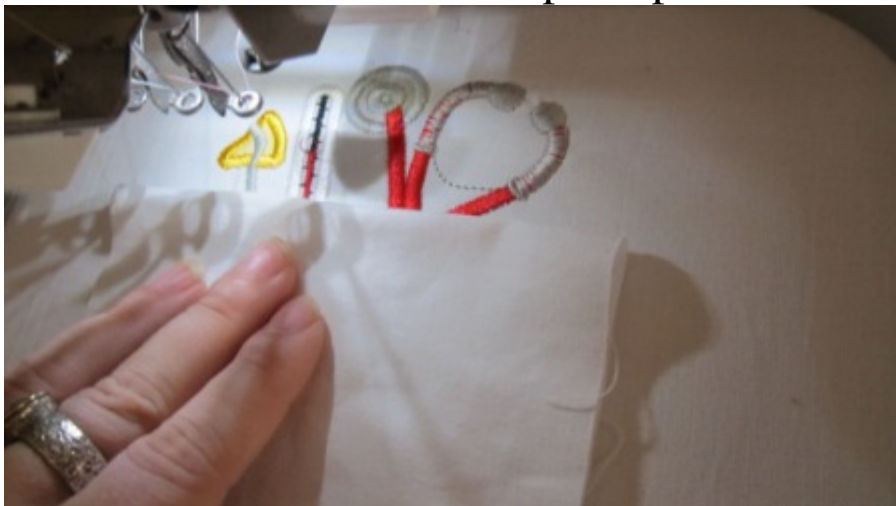

Put the folded fabric right inside the shape

and fix it with a tape or pin

Next will be pocket tack down

stop machine and cut out fabric (trim the fabric)

Satin stitch, cross and running outline will be last.
